1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am against another rate increase requested by Dominion Energy. This would be the third increase since 2020. In a time when inflation is increasing and people are scrambling to make ends meet this is a totally unnecessary burden to put on families in Charleston. What happened to the agreements that there would be no rate increases when DE bought SCE&G?

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

NO
